Dear Sir:

It has recently come to my attention that an omission was made on the original Letters Patent which is been set forth in the accompanying request for Certificate of Correction form PTO/SB/44, which is attached in duplicate. It is requested that a Certificate of Correction be issued to show "[22] Related U.S. Application Data – Provisional application No. 60/054,171, Jul. 30, 1997".

On the first page (copy enclosed) of U.S. Patent Application Serial No. 09/124,308, filed July 29, 1998, a claim of priority was properly made stating that "This application claims the benefit of U.S. Provisional Application Serial No. 60/054,171, filed July 30, 1997."

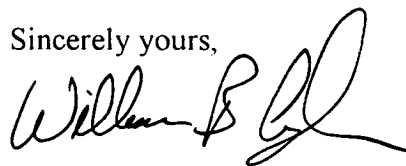

Also enclosed is a copy of the "Continuity Data" form the PTO's PAIR system, printed May 16, 2005, for U.S. Patent Application No. 09/124,308 stating that "This application Claims Priority from Provisional Application.", and lists the "Parent Number" as "60/054,171". The Parent Filing or 371(c) date is listed as "07-30-1997".

It is respectfully requested that a Certificate of Correction for the corrections listed on the attached form PTO/SB/44 be issued.
